

Kaiser Garage Doors & Gates (KGDG) MISSION

KGDG is committed to providing a premier customer experience by offering high quality garage doors & custom metal fabricated gates at competitive prices in both residential and commercial markets. Our team of experienced professionals are available to help address our customer needs by offering the best solutions when it comes to service, replacement, or new construction. With showrooms & warehouses in both Tucson & Gilbert, we service the Tucson, Phoenix Metro & White Mountain areas.

KGDG VISION

Set a standard of excellence for garage door & gate solutions that raises the bar when it comes customer service, workmanship, & industry knowledge.

KGDG CORE VALUES

A - Accountability - *We honor commitments to our customers and to one another. I am responsible for accomplishing my work, on-time, and with quality.*

C - Customer Commitment - *We develop relationships by providing solutions that meet the needs of our customers through effective communication, being experts in our field, & going the extra mile.*

C - Credibility - *By being honest, consistent, and keeping our promises, we aim to build trust with our customers, and one another, by demonstrating our competence, expertise, and reliability in everything we do.*

E - Excellence - *We strive to deliver a best-in-class experience through ongoing business development, innovation, and quality.*

S - Solution oriented - *We pride ourselves on working to help fulfil the individual needs of our customers and one another.*

S - Sincerity - *We pledge to be honest and genuine with one another to produce high quality results while caring for our customers in the same manner.*

"Making Access Easier"
